

## Summer Camp 2025

The Growing Tree will be offering Summer Camp for the children that will be entering the 4-yr.-old VPK program or kindergarten this fall. Each child will bring their own drink, lunch, and snack each day. We will be having several in-house field trips this summer including: soccer, gymnastics, kids plays, etc.

Camps will be filled on a first come/first serve basis. All camps will operate from 9am until 2pm, Monday through Friday, with a cost of \$175 per week. We will also have an extended day option from 8am until 3pm, Monday through Friday, with a cost of \$200 per week.

<b>June 2-6</b>	<b>Up in the Sky... Things That Fly...</b> Is it a bird? A plane? A butterfly?
<b>June 9-13</b>	<i>We're Going on a Treasure Hunt...</i> Every day is a new adventure with new things to be found. Join us as we search for treasure daily on the playground!
<b>June 16-20</b>	<b>Space Expedition</b> Kids can blast off into outer space with this theme: learning about the solar system, creating space-themed art projects, and participating in space-themed games and activities.
<b>June 23-27</b>	<i>Once Upon a Time</i> Fairy Tales and Fables! The world of make believe and magical fun for everyone!
<b>July 7-11</b>	<i>Magical Creatures</i> In this theme, kids can let their imaginations run wild as they learn about mythical creatures like dragons, unicorns, and griffins with magical creature projects and magical creature-themed activities.
<b>July 14-18</b>	<b>Color Your World Camp</b> Tap into their creativity and try their hand at various art forms. We will learn about famous artists and children will create their own art projects and participate in fun group activities!
<b>July 21-25</b>	<i>Camp Chuckles</i> We can all use a good laugh and laughter is truly good for the soul. This week we will read funny books, sing crazy songs, and a zany craft or two! Knock knock... who's there?

If you have any questions, please contact the Growing Tree office at 727-786-6158.  
*All attached forms must be filled out completely and returned to register.*
